OTTMAR LIEBERT COMES TO LODI!

World Renowned Guitarist To Bring His Band Luna Negra!

Grammy-nominated, platinum-selling guitarist Ottmar Liebert and his band Luna Negra will perform at the Hutchins Street Square Performing Arts Theatre, on June 30, 2005 at 8 p.m.

Thirteen years ago, *Nouveau Flamenco* was Ottmar Liebert's legendary, double-platinum selling debut. That groundbreaking recording became the biggest selling guitar album of all time, not simply redefining Flamenco music for the modern age but creating a whole new genre of music which sparked a 1990s world music revival.

Today, Liebert's music defies categorization, and his eclectic style has been dubbed everything from "smooth jazz" to "new age" to "world music." Liebert's incredible global success on a musical level may be a simple outgrowth of his cultural background and powerful wanderlust in his

formative years. Born in Cologne, Germany, to a Chinese-German father and Hungarian mother, he began playing guitar at 11, and traveled extensively through Europe and Asia intent on fully absorbing each musical tradition he encountered. After pursuing his Rock and Roll dreams first in his native Germany and then in Boston, he abandoned the frustrations of the East coast and settled in Santa Fe, New Mexico.

By 1989, he had founded the first incarnation of his new band Luna Negra.

Presented by the Hutchins Street Square Foundation. Reserved seating tickets are on sale now at the Hutchins Street Square box office. (\$20.00/\$30.00/\$45.00).

Rosso-Fousekis Donation

Benefits Arts Program at the Square

Hutchins Street Square was the recent beneficiary of a memorial donation that purchased storage lockers specifically for the use of art students at the Square. On February 12, lockers paid for with funds donated by the Rosso-Fousekis family in loving memory of their mother, Marie Fousekis, were installed in the arts classroom at Hutchins Street Square.

"The storage lockers will be a real convenience for our art students," said Arts Education Supervisor, Diane Amaral. "We have several students who find it difficult to carry their supplies back and forth from home to the Square. These lockers will help make their learning experiences here easier and more enjoyable."
