

RED ALERT!

Are you the caregiver at home? What happens to that individual if you become ill or get hurt and have to call 9-1-1? Complete this simple procedure to alert Emergency personnel that your loved one should not be left home alone while you are taken to the hospital.

Please follow these instructions:

- 1) Complete the “RED ALERT” candidate information below.
- 2) Mail or drop off at Hutchins Street Square Senior Center
125 S Hutchins Street
Lodi, California 95240
- 3) Place your “RED ALERT” magnet on the outside of your refrigerator. This will alert the Emergency Personnel that there is someone in the home that needs to be cared for in the event you become ill or hurt.
- 4) Attach under the magnet a list of people who can be called to come and stay with your loved one.
- 5) Include any special needs of your loved one.

Sponsored by the City of Lodi Senior Citizens Commission. For more information please call (209) 369-6921.
